May 8, 2024

The Honorable Tom Cole
Chair
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Iron Springs Sewer Upsizing Project, Cedar City, Utah, 2nd District in fiscal year 2025. The entity to receive funding for this project is Cedar City Corporation, located at 10 N Main Street, Cedar City, UT 84720. The funding will go toward a lift station that will increase capacity to better serve the City and the County. This wastewater project is crucial to the success of the Iron Springs Inland Port and the surrounding industrial developments in Cedar City and Iron County. The project is an appropriate use of taxpayer funds because it will benefit the upsizing and expansion of Cedar City's sewer infrastructure to get ahead of the significant and rapid growth in Cedar City and Iron County. This project is critical to support Iron County, the Iron Springs Inland Port, the BZI Innovation Park, local businesses, and Southern Utah's regional workforce through current and upcoming large-scale economic development projects.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Celeste Maloy
Member of Congress
