The Honorable Tom Cole
Chair
Committee on Appropriations
U.S. House of Representatives

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Northeast Apron Construction and Expansion, St. George, Utah, 2nd District in fiscal year 2025. The entity to receive funding for this project is St. George Regional Airport, located at 4550 South Airport Parkway, St. George, UT 84790. Funding will go towards expanding the transient aircraft parking apron which will strengthen aviation services for all members of the community, region, and tourists. Currently, the airport does not have adequate space to park the influx of aircraft that will be coming to St. George Regional Airport at peak demand, especially during large scale events. The project is an appropriate use of taxpayer funds because it will accommodate the region's rapidly growing travel and tourism industry. Additionally, this project will allow the airport to meet current needs and grow with the community by continuing to prepare for the future growth of the airport.

The project has a Federal nexus because the funding provided is consistent with purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Celeste Maloy
Member of Congress
