The Honorable Tom Cole
Chair
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for critical roadway and infrastructure improvements in Richfield City in Fiscal Year 2027. The entity to receive funding for this project is Richfield City, Utah. The funding would be used to reconstruct key corridors near Pahvant Elementary, including 570 North and surrounding streets, to address failing pavement, replace aging water and sewer infrastructure, and improve pedestrian and school zone safety. The project will enhance bus route reliability, increase parent and pedestrian accessibility, and modernize critical infrastructure supporting high-traffic community corridors.

The project has a federal nexus because the funding provided is authorized in the Community Development Fund (CDF) 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Celeste Maloy
Member of Congress
