The Honorable Tom Cole
Chair
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Droubay Road Project, Tooele, Utah, 2nd District in fiscal year 2025. The entity to receive funding for this project is Tooele County, located at 47 South Main Street, Tooele, UT 84074. The funding would be used to widen lanes and shoulders, improve pedestrian safety, restore or replace needed road base, and restore the failed pavement of a 3-mile portion of the total 9-mile stretch of road. The project is an appropriate use of taxpayer funds because it serves a vital role in providing access to schools, goods, services, and jobs in Tooele, Erda, Lake Point, and the unincorporated communities in the county. This project also provides critical access to several recreational areas, trails, hiking and cycling paths, forest range cattle permits, and BLM land.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Celeste Maloy
Member of Congress
