Ranking Member  
Committee on Appropriations  
U.S. House of Representatives

Dear Chairman Cole and Ranking Member DeLauro

I am requesting funding for the Millcreek Reservoir Project in Bountiful, Utah in Fiscal Year 2026. The entity to receive funding for this project is the city of Bountiful, located at 795 S Main St., Bountiful, UT, 84010. Replacement of this facility would benefit all residents and businesses who are connected to the Bountiful City culinary water system. It's also worth it to the taxpayer because fixing the reservoir now will save money in the event of a disaster.

This project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Celeste Maloy  
Member of Congress
