The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro

I am requesting funding for the Cedar Valley Effluent Reuse Conservation Project in Iron County, Utah in Fiscal Year 2026. The entity to receive funding for this project is the Central Iron County Water Conservancy District, located at 710 S Westview Dr., Cedar City, UT, 84720. This project will help facilitate the population and economic growth within Cedar Valley. This project will provide a growing secondary water resource as volumes increase along with the population growth and demand from businesses and residents. This infrastructure is a good use of taxpayer dollars as recycling wastewater for beneficial use (effluent water) saves water and money.

This project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S. C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

*Celeste Maloy*
