The Honorable Tom Cole  
Chair

U.S. House of Representatives

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Digester Lid Rehabilitation project, Salt Lake City, Utah, 2nd District in fiscal year 2025. The entity to receive funding for this project is Central Valley Water Reclamation Facility located at 800 Central Valley Road Salt Lake City, UT 84119. The funding would be used to replace 35-year-old steel floating digester covers on two existing concrete sludge digestion tanks. The project is an appropriate use of taxpayer funds because the steel covers contain biogas generated in the digesters and have corroded beyond repair and are in a state of imminent failure.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Celeste Maloy  
Member of Congress
