The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Elk Meadow SSD Culinary Water Improvements project, Beaver, Utah, 2nd District in fiscal year 2025. The entity to receive funding for this project is Elk Meadows Special Service District, located at PO Box 1796 Beaver, UT 84713. The funding would be used for redevelopment of a spring source, replacing the transmission main for this spring source, and installing new water mains to improve connectivity and reliability. The project is an appropriate use of taxpayer funds because it will increase system reliability to provide safe drinking water to users.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Celeste Maloy  
Member of Congress
