The Honorable Tom Cole
Chair
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Lava Flow Wash Sewer Line Upsize project, Santa Clara, Utah, 2nd District in fiscal year 2026. The entity to receive funding for this project is Santa Clara City located at 2603 Santa Clara Dr. Santa Clara, UT 84765. The funding would be used to replace the existing sewer line with a larger capacity system. The project is an appropriate use of taxpayer funds because it will ensure efficient wastewater management to accommodate increased demand due to increasing population growth.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Celeste Maloy
Member of Congress
