The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Paragonah Road Improvements Project in fiscal year 2025. The entity to receive funding for this project is Paragonah Town. The funding would be used for installing approximately a half-mile of 24' wide roadway and 2 new storm water box culverts. The purpose of this project is to provide an alternate route for the residents and emergency vehicles of Paragonah to safely reach the east end of town. The proposed road will help create a safer community by allowing residents and emergency vehicles to serve the entire community.

The project has a federal nexus because it is authorized under section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Celeste Maloy  
Member of Congress
