

Congress of the United States
House of Representatives
Washington, DC 20515-4402

March 18, 2026

The Honorable Tom Cole
Chair
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Santa Clara's 69kV Transmission Line and Substation in fiscal year 2027. The entity to receive funding for this project is Santa Clara City, located 2603 Santa Clara Dr, Santa Clara, UT 84765. The funding would be used to construct a 69kV transmission line loop and substation to increase electrical capacity in the city.

The project has a federal nexus because the funding provided is for purposes authorized by Section 105(a)(2) of the Housing and Community Development Act of 1974, 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Celeste Maloy
Member of Congress
