The Honorable Rosa Delauro
Ranking Member
Committee on appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the St. George Regional Airport Parkway Modernization Phase 1 Project in Fiscal Year 2027. The entity to receive funding for this project is City of St. George - St. George Regional Airport (SGU), located at 4508 South Airport Parkway # 1, St. George UT, 84790. The funding would be used to modernize the access points to the airport, including reorienting and expanding outdoor parking and passenger flow to the airport. The project is an appropriate use of taxpayer funds because the project would modernize the Airport's ground transportation corridor to address critical safety and capacity deficiencies that have developed due to a 400% passenger growth since the airport's opening in 2011.

The project has a federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq., as well as FAA policy and guidance.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Rep. Celeste Maloy
Member of Congress
